

## Team Fundraising

Fundraising campaigns across the platform now have the option to have 'Teams' enabled. This means fundraisers can now work together even more to raise funds for their chosen cause.

Charities can have this feature on their own custom campaigns and organisers can add it to their own event integrated campaigns like the Cork City Marathon, Cook Medical Mini Marathon and Great Limerick Run.

If the team option is enabled there will be a create team button on the campaign page. All teams (public and private) have their own fundraising leader board as part of the overall campaign.

## Team Fundraising

When a Team is created, it can be set as a Public or Private Team. Private teams do not have a visible join button and the team leader as a private link to share with other people they would like to join their team.

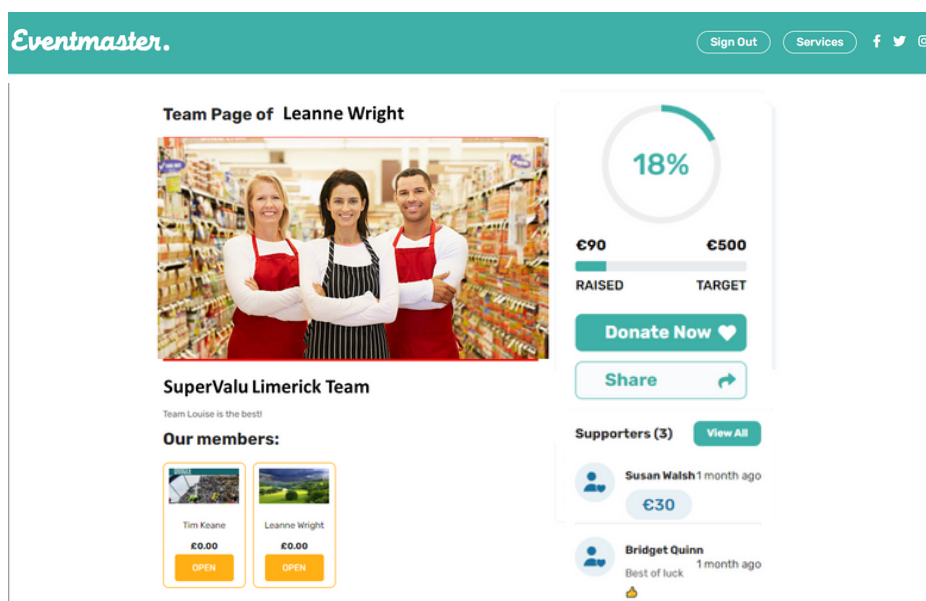

### Public Team Page

By joining a team, participants have the option to create a new fundraising page or use an existing one (if they have already registered for the event)

### Private Team Page

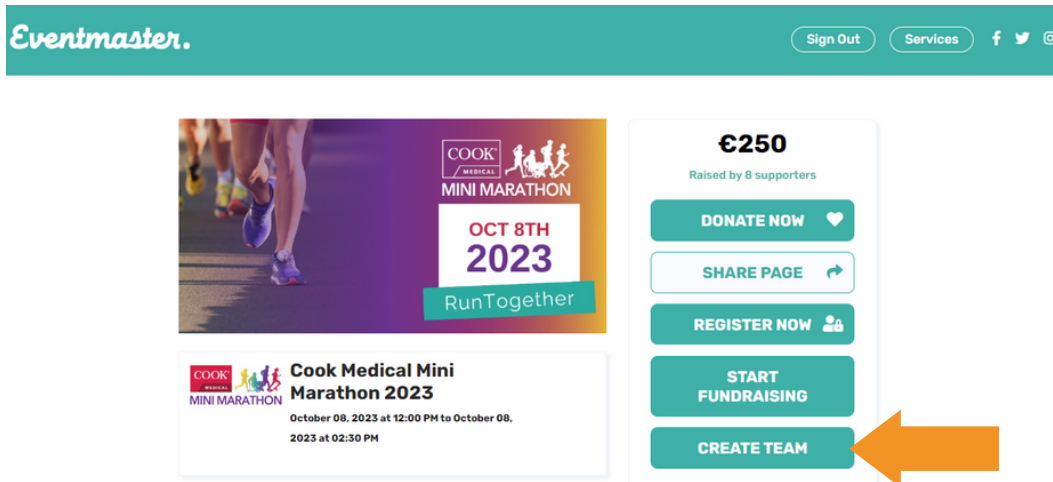

People need to be invited to join a private team. When the team is created the leader has a link that they can distribute and share for people to join.

This is a great option for corporate partnerships, so they have their own team page but are still part of the overall campaign.

## How to Create a Team

- 1 Go to the fundraising campaign page of your choice and click on **Create Team**

- 2 Fill in your team details and click **Save**.

\*Team Name:  This is the name that will appear publicly for others joining and on the fundraising team leader board

\*Team Leader Full Name:  Who is going to be in charge/look after admin for the team?

\*Team Leader Email:  This is the email that can be used to log in and manage the team.

\*Custom Text:  Let us know who you are and why you are taking part!  
Please write a short description about your team. This custom text will be shown on your team page.

\*Team Target (€):  How much would you like to raise together as a group?

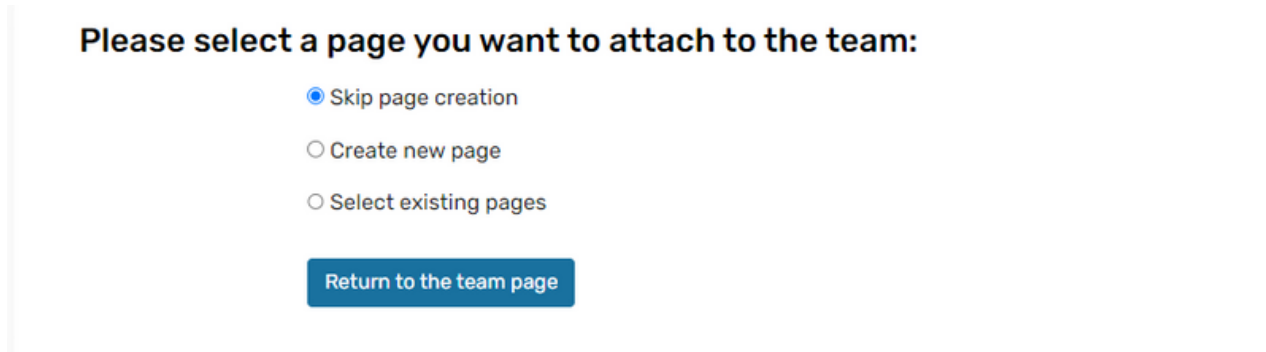

\*Charities for this team:  All charities for this campaign  A specific charity  
As a team you can fundraise for one particular charity or let all members choose their own cause.

\*Join Team Visibility mode:  Public (Anyone can join the team through the team page)  Would you like everyone to be able to join your group?

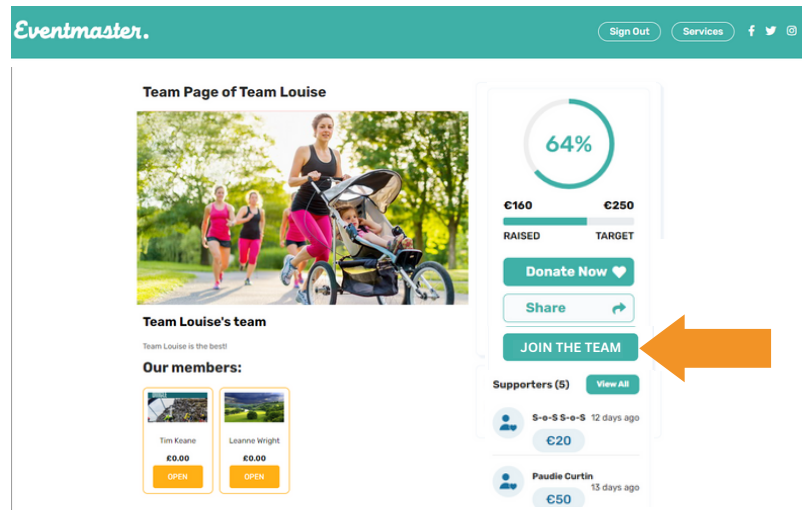

\*Team Image:  Drop files here or click to upload.  
Ideal size 760px x 400px and Max capacity 2Mb

Add in an image for your team!  
This can be updated at anytime throughout the campaign.

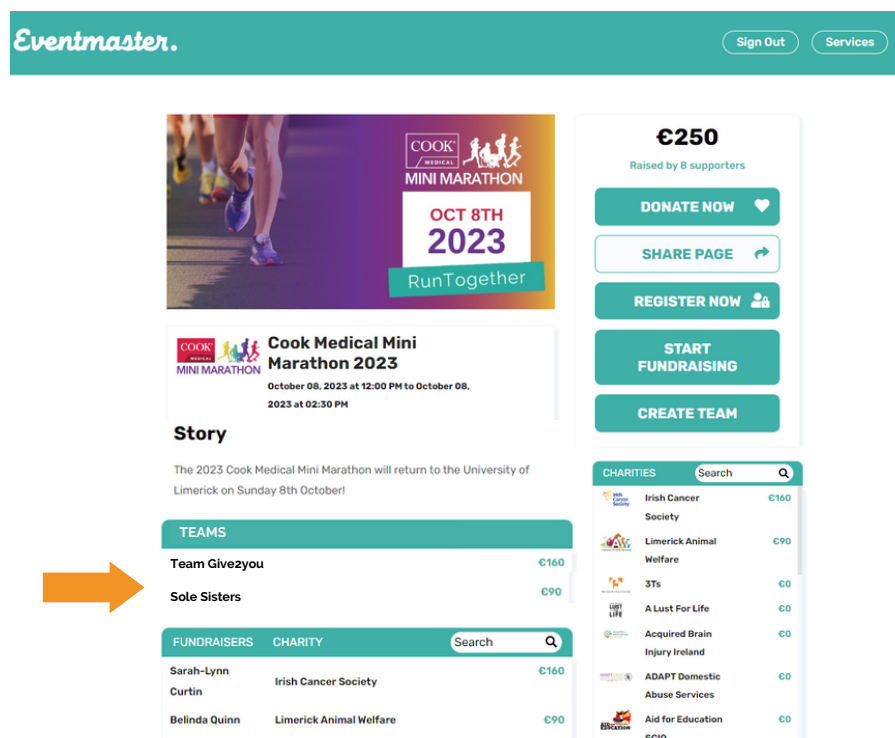

**3** If you are creating a Team page you don't need to have your own fundraising page as part of it. If you want a page you can select an existing page you created for the event or create a new one.

**4** Once you have chosen from the options above you will be brought to the Team page. If the page is public page/link then it can be shared online for others to join. For Private pages you can manage your page to get your custom invite link.

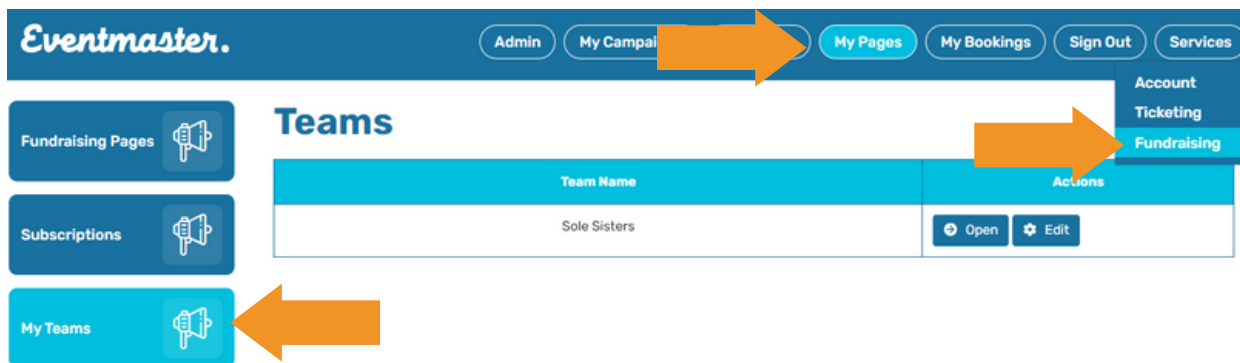

**5** All Public and Private Pages are visible on the overall campaign leader board.

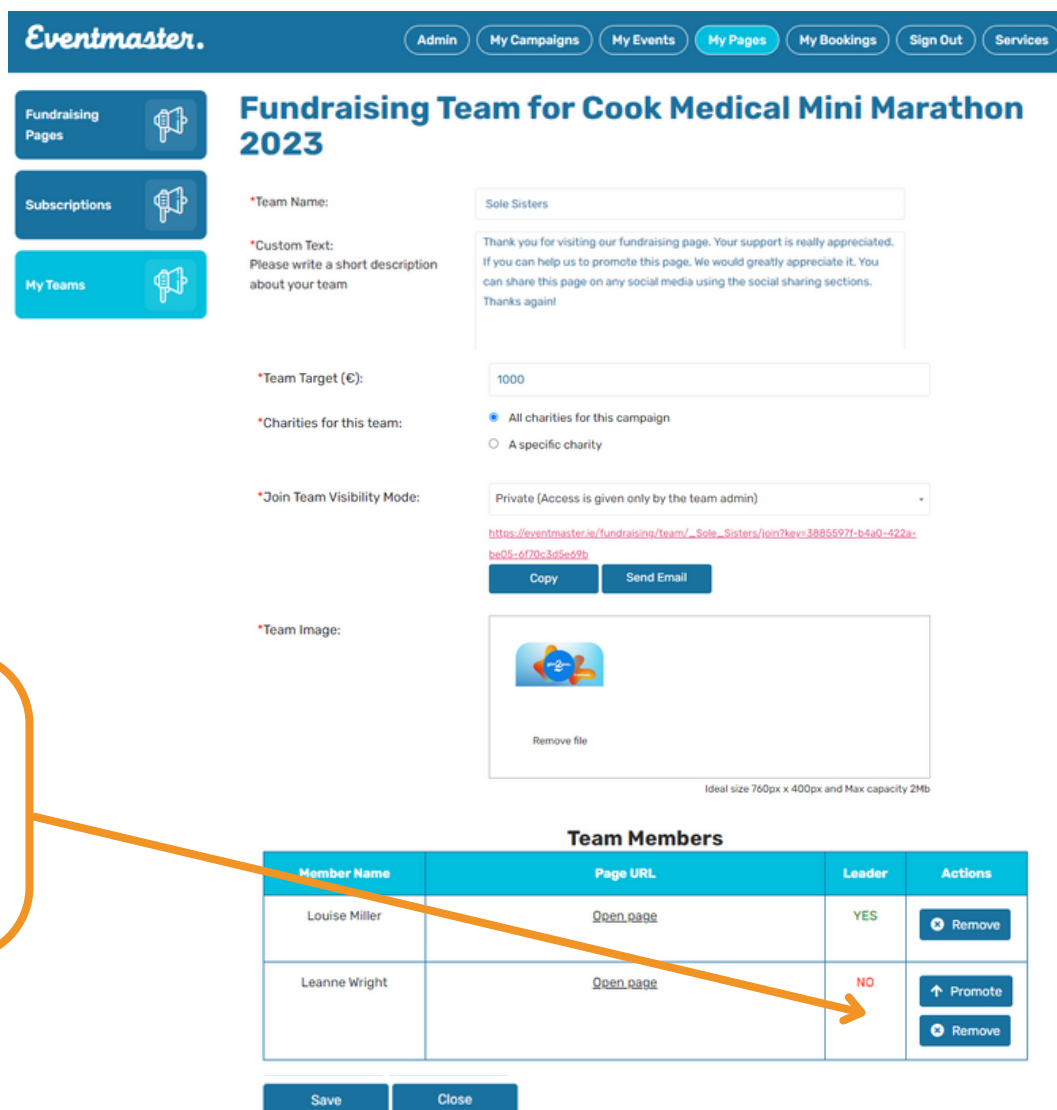

## Manage your Team

**1** Log into Eventmaster.ie and click on Services, Fundraising and My Teams.

**2** You can edit all of the original details entered here. For Private pages - this is where you will find the private link to invite others to join your team.

You can manually remove team members as well as promote others as admins.
